

you're invited to join the

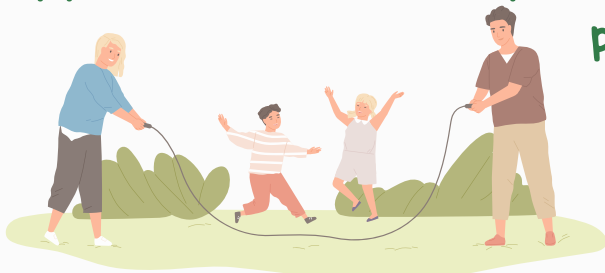

OPAL FAMILY EVENT

Friday 28th November, 1:30pm

We are excited to invite you to a special OPAL (Outdoor Play and Learning) session at NFIS introducing our parents to OPAL Play.

Our vision is to ensure that Children have as many opportunities to explore different types of play as possible.

WHY PLAY?

Come and see what playtime is like! You can engage with your child in a variety of open-ended and imaginative play activities, and learn more about the OPAL play approach. Did you know that playtime is about 20% of every child's school day? It is also, for many children, one of the few times that they have to play outside regularly with their friends and without devices.

THINGS TO NOTE:

- Dress for all weather!
- Dress for all type of play!
- Be ready to share ideas!
- Sign up will be on Arbor
