

# Year 1 - Summer 1 Curriculum Map

In **Computing**, we will be looking at technology around us. We will be looking at how technology is used in school and in the wider world.

In **PE** we will focus on Invasion Games and Athletics.  
PE days will be **Thursday** and **Friday**.

## Far Far Away

For **PSHE** we will be continuing with My Happy Mind. We will focus on the engage means and the types of things they can engage in.

In **RE** we will be looking at what a community is. We will be thinking about communities and groups that we belong to and then we will be looking at how community is expressed in the context of the Hindu religion.

In **Music**, we will be exploring sound and pictures.

### **Writing:**

This half term we will be looking at Ghanaian Goldilocks and Prince Cinders.

### **Handwriting:**

This will be a big focus throughout the year. Children will be encouraged to form letters correctly, ensuring consistent size and shape. This will be a daily activity in school and please practise lower and upper case handwriting at home.

### **Read, Write Inc:**

The children will be continuing to follow the Read, Write Inc. programme. They will be reassessed during the half term to allow them to move colour groups if appropriate.

In **Science**, we will be learning about common wild and garden plants. We will look at the different parts of the plant as well as observing how seeds change overtime.

### **Maths**

- To count in twos, fives and tens
- To solve multiplication problems
- Recognise and name 2D and 3D shapes
- Describe position and direction
- Find a half and quarter of shapes and amounts

In **Art** we will develop our understanding of sculpture and build their making skills. We will be making our own 3D bird sculptures.

In **Geography** we will be identifying hot and cold places using globes, maps and atlases. We will look at the different human and physical features in these countries.
