

# Market Stall Application Form

We are excited to announce we'll be running our children's market corner at our Summer Fayre again - with stalls set up and run by our very own NFIS entrepreneurs!

If your child would like to sow, sew, bake, draw, create or make something to sell on a market stall at our upcoming Summer Fayre, on Saturday 4th July 2026, please encourage them to complete an application form, telling us all about their ideas.

Applications must be received by Thurs 21<sup>st</sup> May, and we will notify successful stall holders by Friday 5th June, giving the children 4 weeks to prepare their goodies to sell.

Stall hire costs £2, payable on the day, and the stall holder can keep their profits from the day. Stalls will run for either 30 minutes or 1 hour, depending on number of applicants. Depending on numbers, we regret we may not be able to host all stalls this time around.

Parents & Guardians: you must be present with your child at their stall, to supervise - we cannot accept responsibility, and your child will not be able to operate their stall without a responsible adult.

Please cut off this part of the form below, and return to the postbox next to school reception...
